

In the Specification:

On page 1 of the specification, after the inserted paragraph from the Preliminary Amendment of 29 April 2005, below:

"The present application claims priority of International Application No. PCT/EP2003/050765 filed 23 October 2003."

please insert:

Field of the Invention

The invention relates to a process for the removal of sulphur compounds from hydrocarbon streams using adsorbents and regeneration of the loaded adsorbents.

On page 1, before the second paragraph, please insert:

Background of the Invention

On page 3, before second paragraph, please insert:

Summary of the Invention

On page 4, in the first full paragraph, please make the changes shown below.

The present invention therefore relates to a process ~~as described in claim 1~~ for removing sulphur compounds from hydrocarbon streams using adsorbents and the regeneration of the loaded adsorbent.

On page 6, please insert a period at the end of the first full paragraph.

Please delete the insertion of "We claim:" on page 12, above line 1 that was inserted by the Preliminary Amendment of 29 April 2005.
